

CULTURAL RESOURCES CONSULTATION CHECKLIST

This checklist provides information needed to initiate consultation under 21-02 for Chehalis Basin Strategy funded projects. Recipient must provide a vicinity and property map, and other project designs or illustrations, if available, as well as the following information:

Project Sponsorship:

- Project name:
- Grant recipient/Project sponsor name:
- Other participating groups or agencies:
- Funding source(s):

Project location:

- Project location map:
- Address, if applicable:
- Township, Range, Section:
- USGS 7.5 minute topographic quadrangle map name:
- County/City:
- Acreage:
- County tax parcel number(s):

Description of work:

- Project design drawings and other illustrations:
- Goal or purpose of the project:
- Describe the depth and breadth of impacts, including disturbance for access roads (building or repairing or closing), demolition of structures, and all proposed ground disturbance or landscape-altering activities:
- Any permits required and/or applied for:
- Anticipated timeline:
- Project constraints (work windows, weather considerations, permit deadlines):

Recipient must upload an electronic version of this checklist, and any amendments to it, into EAGL (Ecology Administration of Grants and Loans system). For projects supported by the Community Flood Resilience and Assistance (CFAR) program, recipient must send an electronic version to the OCB project management team.
