

ECOLOGY PROPERTY MONITORING FORM

(For use by OCB staff only)

While the burden of compliance typically rests on the recipient, under certain circumstances, Ecology will prioritize lands for more robust monitoring procedures by OCB program staff. Recipients should consult the Chehalis Basin Strategy Voluntary Acquisition Handbook and the awarding program manager to determine whether the acquired property is subject to monitoring by OCB program staff.

Inspected by (name and title)	
Date of Inspection	

Property Information	
Property Name	
Acquisition Date	
Acres	
Parcel ID Number(s)	
Recipient/Landowner	
Recipient Contact Name, phone number, & email
